

# My visit to the Victoria Police Museum

Victoria  
Police  
Museum

I will cross a zebra crossing. I will stay close to my adult. I may see police cars and police!

I will go up the stairs or escalators. There is also a lift. I will stay close to my adult.

The Victoria Police Museum is at the top of the stairs.

I may see police officers on the way to the museum. I can say hello. If I want to talk to them, I will ask if it is ok and if they have time.

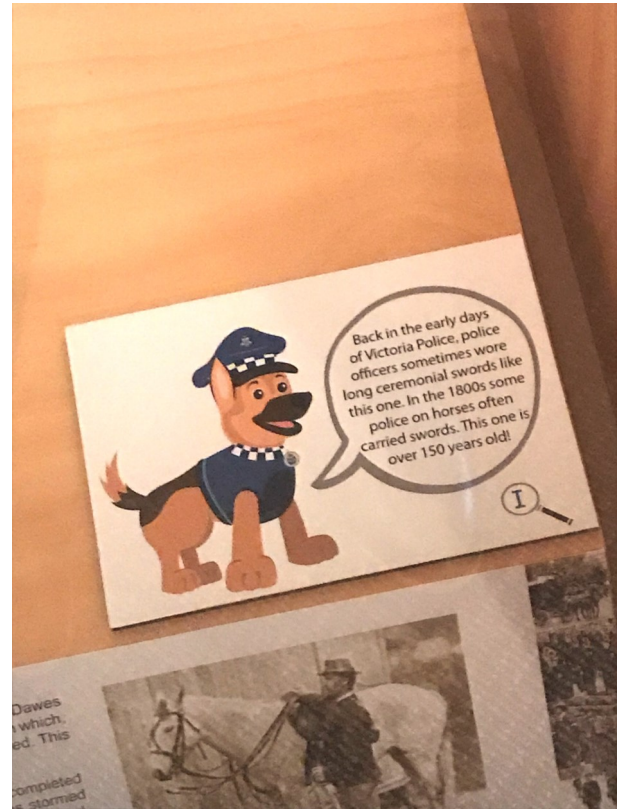

I don't need to buy a ticket. I can put a coin in the slot instead.

Next to the door there are some police uniforms. I can try on a police top and hat. I can have a photo taken. I can wear the uniform around the museum. I will take it off before I leave.

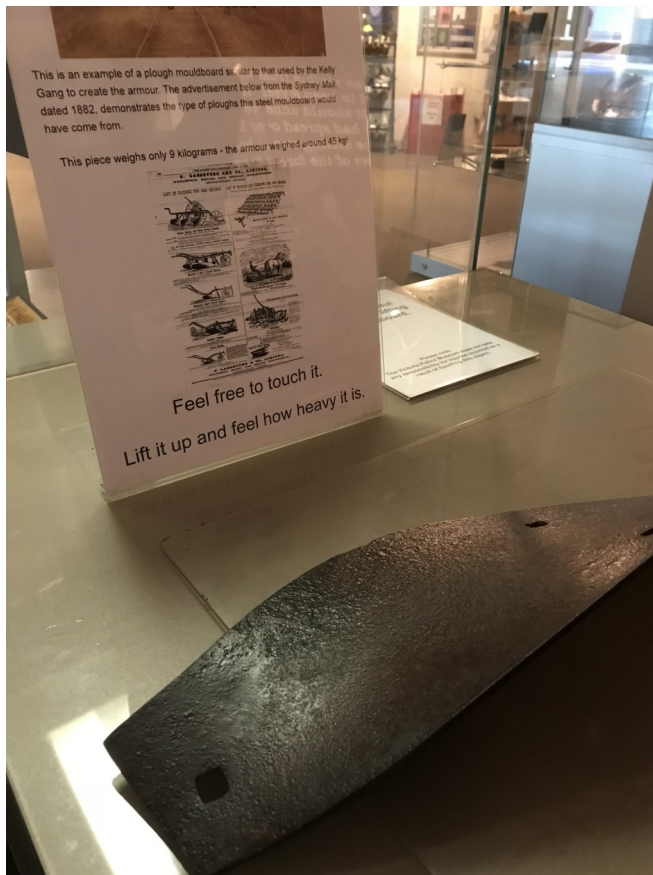

I can get a treasure map and look for clues in the museum.

There are lots of old things to see and learn from Victoria's past. I will see how police did their job in the past.

There are some things in the museum I can touch.

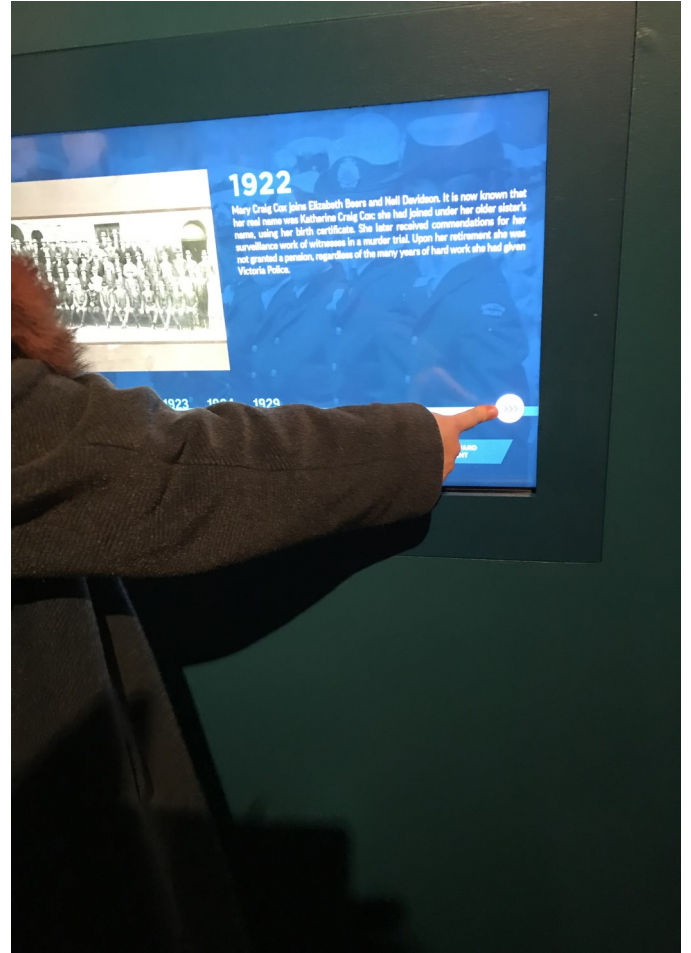

There are other things that are just for looking at.

I can watch a film about the police. This video may be loud, so I can wear my ear plugs or headphones.

There are screens to touch. I can learn some interesting things about the police. I will ask my adult if this is ok.

I had fun at the Victoria Police Museum.
